

2023/24 DASHBOARD	DASHBOARD SECTION	CHARTS SHOWN THIS SECTION
HRSA/State Reportable Dashboard includes data that, once validated, is reportable to both HRSA and the State of Arizona	<p>The <i>first section</i> is shown as a numerical value only on a white background. It displays entries submitted by Centers into the data base for fiscal year 23/24. This section includes information entered which has NOT been validated, such as entries for which requested corrections are pending.</p>	<ul style="list-style-type: none"> • Primary field experiences entered by Center (Objective 1, Scope of Work) • NEW: RHPP Projected Rotations Associated with Center (Objective 1, Scope of Work) • NEW: RHPP Confirmed Rotations Associated with Center (Objective 1, Scope of Work) • Club participants entered by Center (Objective 2, Scope of Work) • Continuing Education Participants & Continuing Professional Development Participants entered by Center (Objective 3, Scope of Work)
	<p>The <i>second section</i> is shown on a pie chart on a white background. It displays entries made by Centers that are reportable to both HRSA and the State of Arizona. This section includes information that has been validated by the Program Office as reportable.</p>	<ul style="list-style-type: none"> • Primary field experiences by discipline entered by Center <u>and</u> validated by Program Office • NEW: RHPP confirmed field experiences with Center Associated and Center added FE support <u>and</u> validated by Program Office • Clubs entered by Center <u>and</u> validated by Program Office • Club participants entered by Center <u>and</u> validated by Program Office • Continuing Education Events entered by Center <u>and</u> validated by Program Office • Continuing Education Participants entered by Center <u>and</u> validated by Program Office • Continuing Professional Development Events entered by Center <u>and</u> validated by Program Office • Continuing Professional Development Participants entered by Center <u>and</u> validated by Program Office • AHEC Scholars by Cohort Year and ABOR Institution and College. This chart is maintained by the Program Office based on Scholar Regional Assignments. • AHEC Scholars' Immersion Events reported by Center and validated by Program Office
	<p>The <i>third section</i> is shown on a gauge against a dark background. It compares validated data to Center's self-identified 2023-24 performance goals. If Center's 2023-24 Scope of Work and Budget <u>have not been</u> finalized, no performance goals have been reflected. Once this information is finalized, the gauges will be updated to reflect achievement of performance goals. This section includes information that has been validated by the Program Office.</p>	<ul style="list-style-type: none"> • Unique trainees with field experiences by discipline reported by Center <u>and</u> validated by Program Office; comparison to Center-defined metrics • Total field experience hours reported by Center <u>and</u> validated by Program Office; comparison to Center-defined metrics • Club participants reported by Center <u>and</u> validated by Program Office; comparison to Center-defined metrics • Continuing Education and Continuing Professional Development Participants reported by Center <u>and</u> validated by Program Office; comparison to Center-defined metrics
State Reportable Only Dashboard includes data that is only reportable to the State of Arizona.	<p>The <i>first section</i> is shown as a numerical value only on a white background. It displays entries submitted by Centers into the data base for fiscal year 2023/24. This section includes information entered which has NOT been validated, such as entries for which requested corrections are pending</p>	<ul style="list-style-type: none"> • Health Career Focused Event participants (i.e. non-structured programs) in Grades K-16 reported by Center • Community Education and Outreach Participants reported by Center. This includes non-student/trainee community members. • Other Student/Trainee Participants reported by Center. This includes student/trainees having an IPE, Didactic or other non-AHEC Scholar experience that augments their health profession field experiences.
	<p>The <i>second section</i> is shown on a pie chart on a white background. It displays entries made by Centers that are only reportable as data to the State of Arizona. This section includes information that has been validated by the Program Office as reportable. NOTE: This data may be reportable in program narratives to HRSA and in program narratives and data to the State of Arizona.</p>	<ul style="list-style-type: none"> • Health Career Focused Event participants (i.e. non-structured programs) in Grades K-16 reported by Center <u>and</u> validated by Program Office. • Community Education Participants reported by Center for non-student/trainee community members <u>and</u> validated by Program Office. • Other Student Activities Participants reported by Center for student/trainees having an IPE, Didactic or other non-AHEC Scholar experience that augments their health profession field experiences, <u>and</u> validated by Program Office.
