

Evaluation reports shared with Centers annually

Each year the AzaAHEC Program Office collects evaluation data from participants in AzaAHEC-sponsored programming. The following activities are included in developmental evaluation and a summary report of results is shared with Regional Centers to recognize successes and guide any needed program improvement.

Activity	Topic	Respondent Pool	Data collection	Report development and distribution to Centers
RHPP Conference	Participant Satisfaction and Feedback	Conference attendees	April/Post conference	May
AHEC Scholars	Annual Scholar Satisfaction and Feedback regarding AHEC Scholars Program	All AHEC graduate level Scholars in the academic year	April-May/End of academic year	May
	Scholar Satisfaction and Feedback regarding Fall Orientation /Immersion across centers	All AHEC graduate level Scholars participating in the Fall Orientation /Immersion	Fall/Post Immersion	October
	Scholar Satisfaction with Fall Immersion- details for individual centers	All AHEC graduate level Scholars participating in the Fall Orientation /Immersion	Fall/Post Immersion	October
Findings from these reports are also presented during a monthly Director’s meeting for discussion.				
Additional evaluation data that is collected is summarized across partners and shared with the federal funder annually but not used to develop specific topical reports. Results related to additional evaluation data may be available for sharing upon request.
